

## Winging It!

### Come Out, Come Out Where Ever You Are!

My parrot, \_\_\_\_\_(name), was trying to tell me something. He squawked and \_\_\_\_\_(verb) his wings. Then he ran up his \_\_\_\_\_(noun) and \_\_\_\_\_(verb) the bell of his favorite \_\_\_\_\_(adjective) toy. I was in my room \_\_\_\_\_(verb), so I couldn't pick him up right away. But he didn't want to wait. He \_\_\_\_\_(adverb) screeched until the whole house shook.

I opened the door to the birdroom, but \_\_\_\_\_(name) wasn't in his \_\_\_\_\_(adjective) \_\_\_\_\_(noun). I looked under the \_\_\_\_\_(noun) and in the \_\_\_\_\_(adjective) \_\_\_\_\_(noun) but he was no where to be found. I repeated his favorite phrase: "\_\_\_\_\_ " but he was \_\_\_\_\_(verb). I ran to the \_\_\_\_\_(noun) to get \_\_\_\_\_(noun), which is his favorite treat. "Come out, come out where ever you are," I said. And then I saw his \_\_\_\_\_(noun). He was hiding behind the \_\_\_\_\_(adjective) \_\_\_\_\_(noun). I looked at my \_\_\_\_\_(noun) and realized that I was late for our \_\_\_\_\_(adjective) play date. No wonder he was trying to get my attention! I picked him up and placed him on his \_\_\_\_\_(noun). We played \_\_\_\_\_(noun) for an hour and then I had to leave to catch the bus to \_\_\_\_\_(noun).

### Food Fun

My parrot loves to eat. She especially loves \_\_\_\_\_(noun) and will even help herself to some \_\_\_\_\_(adjective) \_\_\_\_\_(noun) off of my dinner plate when I'm not looking. One day, she opened my lunch \_\_\_\_\_(noun) and took a big bite of my \_\_\_\_\_(noun). I need to be careful about what she eats, because she once tried to eat \_\_\_\_\_(noun), which would give her \_\_\_\_\_(adjective) ache. I feed her \_\_\_\_\_(noun) \_\_\_\_\_(adjective) a day and make sure I clean out her \_\_\_\_\_ when I wake up and before I go to bed. She loves to taunt our pet, \_\_\_\_\_(noun), with her food. She especially likes to \_\_\_\_\_(verb) \_\_\_\_\_(noun) right on top of his head. He \_\_\_\_\_(adverb) \_\_\_\_\_(verb) away. She \_\_\_\_\_(verb) and then says, "\_\_\_\_\_ (silly phrase)."

### Fly Away

We have a \_\_\_\_\_(adjective) \_\_\_\_\_(noun) named \_\_\_\_\_. We didn't notice that her \_\_\_\_\_(noun) grew out. One day she flew away when I \_\_\_\_\_(adverb) left the \_\_\_\_\_(noun) open. What a scare that gave us! We \_\_\_\_\_(verb) the entire \_\_\_\_\_(geographical location), but she was no where in sight. I made some \_\_\_\_\_(noun) and posted them on every \_\_\_\_\_(noun). I asked all my \_\_\_\_\_(noun) if they had seen her, but no one did. I whistled, "\_\_\_\_\_" her favorite song. I heard a \_\_\_\_\_(adjective) \_\_\_\_\_(noun) and knew it was my bird. It was getting dark, so I grabbed a \_\_\_\_\_(noun) from the drawer and shined it on the tallest \_\_\_\_\_(noun) on my street. A shadow \_\_\_\_\_(adverb) flew by. It was \_\_\_\_\_(noun)! I \_\_\_\_\_(adverb) until \_\_\_\_\_(name) landed on my \_\_\_\_\_(noun). "I am so glad you \_\_\_\_\_(verb) home!" I exclaimed.
