

## Bird Food Pyramid

**Download a food pyramid chart for your pet bird.**

You learned how good food fosters good behavior in the January 2009 issue of BIRD TALK Magazine. Now download your bird's food pyramid to ensure you are always feeding your bird the very best.

Click on the image to download a PDF. This pyramid is based on general vet recommendations for the average pet bird owner. If you are committed to offering your bird a fresh and varied diet daily, these ratios may change. Consult your avian veterinarian for the best diet for your species of bird.
