

## BIRD TALK Editor's Note: Show Of Shows

BIRD Talk team and Higgins Premium Pet Foods' Dean Reyes.

The BIRD TALK team headed out to Denver, CO, for the 59th Annual National Cage Bird Show. Canaries, finches, lovebirds, cockatiels, budgies, parrotlets were just a few of the birds adding color and plenty of chitter-chatter to the show floor. We captured the judges in action and the winning birds, which you can see on [BirdChannel.com/bird-show-winners](http://BirdChannel.com/bird-show-winners).
