

Behind-the-Scenes Interview with Maurice Benard of General Hospital

BirdChannel.com brings you exclusive behind-the-scenes video clips of the interview.

BIRD TALK Associate Editor Rose Gordon visited Maurice Benard, General Hospital's Sonny Corinthos, at his home for an exclusive interview with him about his life at home with his family and pet birds when he's not behind the camera.

You've played the role of Sonny Corinthos for more than a decade. What is it like to play that gangster persona?

What was your first pet bird?
