### **See what's in the stars for you and your bird**

*By Connie Cho*

Some people and their birds seem to hit it off from the get go — a perfect match. Others have had to put in a little more work to understand the inner workings of their feathered companions. Whether you and your bird are best friends from Day 1 or still getting used to each other's nuances, always cherish the little quirks that make your bird what it is. Here's a fun astrological chart to give a window into your bird's individuality.
