

## Know The No-Nos

**Learn what not to do with your bird.**

*By Laura Doering*

In many respects, life with a companion bird is an exercise in trial and error. Fortunately, we can learn from other's mistakes without even going there. Here are some pitfalls you can avoid just by being aware. \*\*For the full article, pick up the 2010 issue of Birds USA or [click here to buy the issue.](#)\*\*
