

## Living Large

**These birds need their space (and the neighbors do, too!)**

*By Anastasia Thrift*

Suburban bird fans can broaden their search criteria and select from a host of bigger birds. This means, of course, everything is super-sized — bigger cages, playgyms, toys, meal portions and time commitment. \*\*For the full article, pick up the 2010 issue of Birds USA or [click here](#) to buy the issue.\*\*
