

Perch Here!

Playgyms offer birds the ultimate “staycation.”

By Laura Doering

The cage may be your bird’s home within your home, but its playgym is its mobile home; your bird’s personal perch-on-the-go. A gym gives your bird mobility in the sense that when you take your bird with you in a room of your house, even if you are happily holding it, you’ll eventually want to safely perch it somewhere. **For the full article, pick up the 2010 issue of Birds USA or [click here to buy the issue.](#)**
