

## The Quiet(er) Ones

**Cozy quarters call for smaller, less-vocal birds.**

*By Anastasia Thrift*

Call condos a home? Address at an apartment? Some birds might be a better match for you. However large or small it might be, you can share your home with a bird. And whether your age more closely matches a fledgling 'keet or a mature macaw, there are birds that can become your best friends. Learn a few facts to make your matchup a success. \*\*For the full article, pick up the 2010 issue of Birds USA or [click here to buy the issue.](#)\*\*
